Ratchet Straps

Tie Down Straps

- Multi use straps for securing a range of items in storage or transit
- Ideal for securing loads in vans, trailers, on lorry beds or in storage
- Range of lengths and capacities to suit many different applications
- All products have lashing capacity tested and approved according to EN 12195-2 and are CE and GS approved
- Easy to tension with one hand and released by a single lever movement
- Polyester webbing conforms to the shape of the load and secures without crush damage
- Endless straps used for wrapping around the load
- Ratchet straps are not suitable for lifting
