Product Data Sheet

MERIDIAN
brand by CED GROUP

Model: **PIR360REC**
Description: 360° Recessed PIR

Product Features

- For use with new and existing lighting
- Lumen control allows the unit to be activated at any desired level of darkness
- Recessed mounting
- Time adjustment of 5 seconds to 7 minutes
- TUV-BS approved

Technical Information

Wattage (W)	0.9
Ambient Light	Day or night operation
Applications	Suitable for indoor, as well as for corridors or basements.
Approvals/Certifications	CE, RoHS
Body Material	Polycarbonate
Class	I
Cut-Hole Ø (mm)	Ø65
Detection Distance (m)	4.5 (radius)
Detection Motion Speed	0.6-1.5m/s
Detection Range	360°
Frequency (Hz)	50/60
Ingress Protection (IP)	IP20
Input Voltage (v)	220-240
Installation Height (Meters)	2.8
Product Colour/Finish	White
Relay Rating	6A
Sensor Range (Mtrs / °)	4.5 (Radius)
Time Delay	10±5 secs to 4±1 mins
Warranty Period (Years)	1
Dimensions (mm)	Ø76*75
Barcode	5027825611186

Warranty 1 Year | 220-240V | 50-60 Hz | CE RoHS COMPLIANT | IP 20
