Product Data Sheet

MERIDIAN
brand by CED GROUP

Model: **PIR360SUR**
Description: 360° Surface PIR

Product Features

- For use with new and existing lighting
- Lumen control allows the unit to be activated at any desired level of darkness
- Manual override allows the floodlight to run continuously
- SURFACE MOUNTING
- Time adjustment of 5 seconds to 7 minutes
- TUV-BS approved

Technical Information

Wattage (W)	0.5
Ambient Light	Day or night operation
Applications	Domestic, commercial applications
Approvals/Certifications	CE, RoHS
Body Material	Polycarbonate
Class	I
Detection Distance (m)	6 (radius)
Detection Motion Speed	0.6-1.5m/s
Detection Range	360°
Frequency (Hz)	50/60
Ingress Protection (IP)	IP20
Input Voltage (v)	220-240
Installation Height (Meters)	2.8 - 3
Product Colour/Finish	White
Relay Rating	6A
Sensor Range (Mtrs / °)	6 (Radius)
Time Delay	5secs - 5mins
Warranty Period (Years)	1
Dimensions (mm)	Ø110*39
Barcode	5027825611216

Warranty 1 Year | 220-240V | 50-60 Hz | CE RoHS COMPLIANT | IP 20
