Product Data Sheet

MERIDIAN
brand by CED GROUP

Model: **PIR12MSUR**
Description: 360° Surface PIR

Product Features

- Adjustable lux level
- Reliable uninterrupted all-round protection of covered area
- Time and twilight threshold infinitely variable at control dials
- Wall mountable with motion detection capacity up to 360° of covered area.

Technical Information

Wattage (W)	0.5
Ambient Light	<3-2000Lux (adjustable)
Applications	Domestic and commercial applications
Approvals/Certifications	CE ,ROHS
Body Material	Polycarbonate
Class	I
Cut-Hole Ø (mm)	n/a
Detection Distance (m)	Max.12
Detection Motion Speed	0.6-1.5m/s
Detection Range	360°
Frequency (Hz)	50/60
Ingress Protection (IP)	IP20
Input Voltage (v)	220-240
Installation Height (Meters)	1.5-3.5
Product Colour/Finish	White
Relay Rating	6A
Sensor Range (Mtrs / °)	Max 12mtrs
Time Delay	10sec± to 15min± (adjustable)
Warranty Period (Years)	5
Dimensions (mm)	76*87
Barcode	5027825201141

Warranty 5 Years | 220-240V | 50-60 Hz | CE | RoHS COMPLIANT | IP 20
