IMPORTANT - Before undertaking any work on or maintenance of fitting:-

- Switch off power supply and allow sufficient time to cool before handling
- Do not dispose of decomissioned fitting in household waste
- Dispose of fitting in the appropriate section of your local civic amenity site or recycling centre only

Product Summary

This elegant White 360? Ceiling Mount Infrared Motion Detector combines the latest sensor technology and modern design to create a well-balanced unit. The motion detector is equipped with two highly sensitive infrared detectors positioned at a specific angle to each other. Reliable, uninterrupted all-round 360? protection. Suitable for outdoor and indoor, front of large buildings, driveways, gardens and courtyards as well as for corridors or basements. Reach of the motion sensor can be set to a maximum of 12m by turning the multi lens. Time and twilight threshold can be infinitely varied at control dials.

Technical Specifications

General Information

Dimensions - (mm)	76 x 87
Cut-Hole - Ø (mm)	n/a
Ingress Protection (IP)	IP20
Electrical	
Wattage - (W)	0.5W
Frequency - (Hz)	50/60Hz
Power source	220-240V AC
Detection Distance	Max.12m(<24?)
Ambient Light	<3-2000Lux (adjustable)
Time Delay	10sec± to 15min± (adjustable)
Detection Range	360°
Detection Motion Speed	0.6-1.5m/s
Installation Height	1.5-3.5m
Performance Data	
Specifications	n/a
Approvals / Accreditations	CE ,ROHS
Relay Rating	6A
Construction	
Body Material	Polycarbonate
Weight	0.5Kg
Warranty Years	5yrs
Others	
Applications	Domestic and commercial applications
