High Performance Impact Auger Bits

Specifically designed to drill a clean hole into all natural woods.

This high quality drill will out perform a standard Auger drill in lifetime and performance.

Designed for impact drivers.

- 3x longer life
- Spurred cutting edge for a fast even cut
- Unique twist design for clean, smooth chip removal
- Burr-free lead screw point for quick, on-target starts without material build up
- High carbon steel (S55C) with precise all hardened treatment
- Made in Japan
