**Weir Gauge (Flow Cup)** For measuring flow rates. Durable plastic design. Stainless steel mesh strainer (Dual scale 2-25 litre).

Code: **1515U**

**Mains Water Pressure Gauge** 11 bar maximum. 3/4in BSP thread for fitting to taps. Tri-Scale kPa psi bar.

Code: **1510F**

**Dry Test Kit** With 15mm push fit fitting with Schrader valve for pressurizing system under test (4 bar). 1519G M/F Flexible extension (**250mm**) available separately

Code: **1512L / 1519G**

**H20 Test Kit** Kit for professionals to pressure test most common applications with the selection of connectors and gauges up to 25 bar.

Code: **1514R**

**Nylon Testing Plugs** Used for blocking off small pipes such as copper for dry testing prior to commissioning. Nominal sizes. (**1370B 15mm / 1371E 22mm / 1372H 28mm / 1373K 35mm / 1374N 42mm**)

Code: **1370B / 1371E / 1372H / 1373K / 1374N**

**Nylon Testing Plugs** Used for blocking off small pipes such as copper for dry testing prior to commissioning. Nominal Sizes. **1368U (1x 15&22mm) 1369X (2x 15&22&28mm).**

Code: **1368U / 1369X**

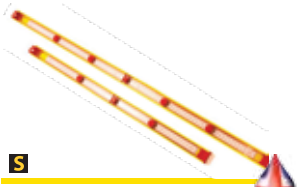

**Manometer Fluid** With spare empty bottle for diluting.

Code: **1274J**

**Test Nipples** Brass screw connects gas meter to a gas test gauge. Hexagon screw shuts off supply to the gauge (**1/8in.BSP**).

Code: **1732D**

**Gas Test Gauge / Manometer** Made from tough plastics to test pipework pre and post gas supply being introduced (258F 60mb / 259I 90mb / 48GTG 120mb).

Code: **258F / 259I / 48GTG**

**Gas Test Gauge / Manometer** Made from tough plastics and plastic U-tube to test pipework pre and post gas supply being introduced (**256Z with glass U-tube for clarity / 2579T with hanger and feet**) 30mb.

Code: **256Z / 2579T**

**Gas Test Gauge / Manometer** Made from tough plastics and plastic U-tube to test pipework pre and post gas supply being introduced 30mb.

Code: **257C**

**Pressure Test Pump** Compact size for leak testing on water installations. Plastic tank. Accurate results. High pressure hydraulic hose (5 litre x 50 bar).

Code: **VRX262035**

**Spare Hose for Manometers** Rubber hose ID 5.5mm Food quality. Colour Orange (1276P 20m coil sold per metre / 1730X 2m).

Code: **1276P / 1730X**

**Spare Hose for Manometers** Nitrile hose ID 5.5mm for LPG Colour black (1275M 20m Coil sold per metre / 1731A 2m)

Code: **1275M / 1731A**

**Spare Hose for Manometers** Rubber hose ID 5.5mm. Black (1279Y 1m / 1277S 20m coil sold per metre / 1729T 2m).

Code: **1279Y / 1277S / 1729T**
